

Learning can happen anywhere. Interactive and hands-on learning is the best way for anyone to learn, especially our kiddos.

The following pages provide a schedule of ways to have fun learning. Each day has its own “theme” and a few suggestions to go with it. This way, you don’t have to feel overwhelmed that you have to do it all every day. Perhaps you need a little help to organize yourself and your to-do list. Maybe you need a reminder to slow yourself down from the hectic reality of our lives and spend a little time embedding a little learning into our schedule and routines.

Following the “schedule”, you will see some listed benefits of each area.

Following that, you will find a more formally guided activity.

You are encouraged to complete an activity (your own and/or the guided activity) and share your results with us. Take a photo, a video, and/or write a journal entry with your child’s dictated words.

Interactive activities: * are a fun way for kids to play & learn. *physical activities promote fitness & health. *games & puzzles aid in skill development. *collaborative activities improve social skills & tighten bonds. *cooperative games teach essential life lessons.

Having fun: *reduces stress. *improves our ability to cope. *boosts energy. *improves memory & concentration. *improves our connections with others. *improves sounder sleep.

Guided Activity:

Title: Go On A *Listening Walk* or Take a Virtual Tour

Venture outside to your yard or even walk around the neighborhood... What do you hear? If the weather is yucky take an online tour!

Materials: The only materials you need today are your feet, your eyes & your EARS!

What to do: Head outside.... Now listen? What do you hear? (birds, people, the wind, rain, cars, ...?)

Extension: Write down all the things you heard. Were they loud sounds? Or were they softer sounds where you really had to listen & concentrate to hear them? Maybe you can draw what you heard!

ISBE Learning Standards: *Social Studies* 17AECa Locate objects and places; 17AECb Express geographic thinking.

Language Arts 4AECc Recognize relationships between spoken and written words; 4AECe Recognize that letters form

Recommended Reading:

If you do not already own these books, you can find them digitally online at your library, Hoopla, or You Tube.
