Learning can happen anywhere. Interactive and hands-on learning is the best way for anyone to learn, especially our kiddos.

The following pages provide a schedule of ways to have fun learning. Each day has its own "theme" and a few suggestions to go with it. This way, you don't have to feel overwhelmed that you have to do it all every day. Perhaps you need a little help to organize yourself and your to-do list. Maybe you need a reminder to slow yourself down from the hectic reality of our lives and spend a little time embedding a little learning into our schedule and routines.

Following the "schedule", you will see some listed benefits of each area.

Following that, you will find a more formally guided activity.

You are encouraged to complete an activity (your own and/or the guided activity) and share your results with us. Take a photo, a video, and/or write a journal entry with your child's dictated words.

Interactive activities: \* are a fun way for kids to play & learn. \*physical activities promote fitness & health. \*games & puzzles aid in skill development. \*collaborative activities improve social skills & tighten bonds. \*cooperative games teach essential life lessons.

## Guided Activity:

## One Minute to Win It

Have fun friendly challenges to build structures using different materials in a minute.

#### **Materials:**

- 1. Plastic Cups with Popsicle Sticks
- 2. A cup of Legos
- 3. A deck of cards
- 4. Toothpicks and marshmallows

Timer

#### What to do:

Choose a set of building materials. Set a timer for one minute. Then, build.

#### **Extension:**

Extend the time to 2 or 3 minutes if necessary.

Challenge each to other to build the tallest or widest building.

Create your own challenge!

### **ISBE Early Learning Standards:**

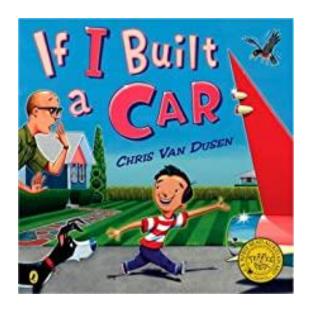

*Arts:* 25AECd Participate in visual arts; 25BECa Describe creative work; 26BECa Use creative arts for expression.

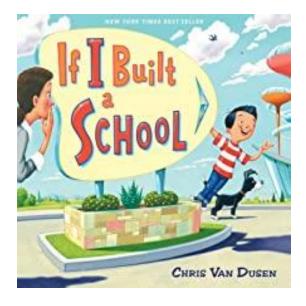

*Physical:* 19AECa Engage in active play using gross and fine motor muscles; 19AECc Use strength and control; 19AECd Use hand-eye coordination.

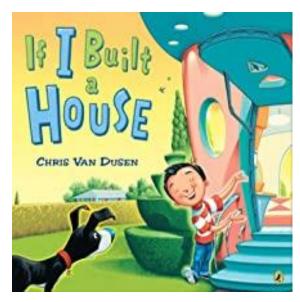

Social Emotional: 30CECa Exhibit eagerness and curiosity; 30CECb Demonstrate persistence and creativity in solving problems; 30CECc Show initiative, self-direction and independence.
